

Tiger Eye High Power LED Light

Marker & Clearance

The iconic Tiger Eye lights, also known as “Double Bubble Lights”, have been **making a bold comeback** in the industry. These lights feature a **classic old-school styling** with the latest **high powered SMD LED** technology, delivering bright and reliable illumination for use as marker or clearance lights.

Each unit features built-in bullet plugs for quick, hassle-free installation. Designed to capture vintage appeal while meeting modern performance standards. Tiger Eyes are the perfect upgrade for any rig looking to stand out on the road.
