

2" & 2-1/2" Watermelon Surface Mount LED Light with Stainless Steel Bezel

Marker & Clearance

NEW SIZES, SAME CLASSIC STYLE, MOUNT ANYWHERE!

Grand General is expanding our popular watermelon series with 2" and 2-1/2" surface mount LED lights, now featuring a **polished 304 grade stainless steel bezel**. Designed to mount directly onto virtually any flat surface, these compact lights make it easier than ever to add the classic watermelon look throughout your truck. Each light features 6 high power SMD LEDs behind a **fully sealed water resistant** polycarbonate lens for **superior brightness**. The stainless steel bezel provides a clean, finished appearance, and the included mounting gasket ensures a secure installation. Available in a wide selection of color and clear lenses, these new surface mount lights are perfect for custom lighting applications on bumpers, fenders, panels, and more.

Flying Goddess Hood Ornament

NEW

**ONE PIECE
CONSTRUCTION**

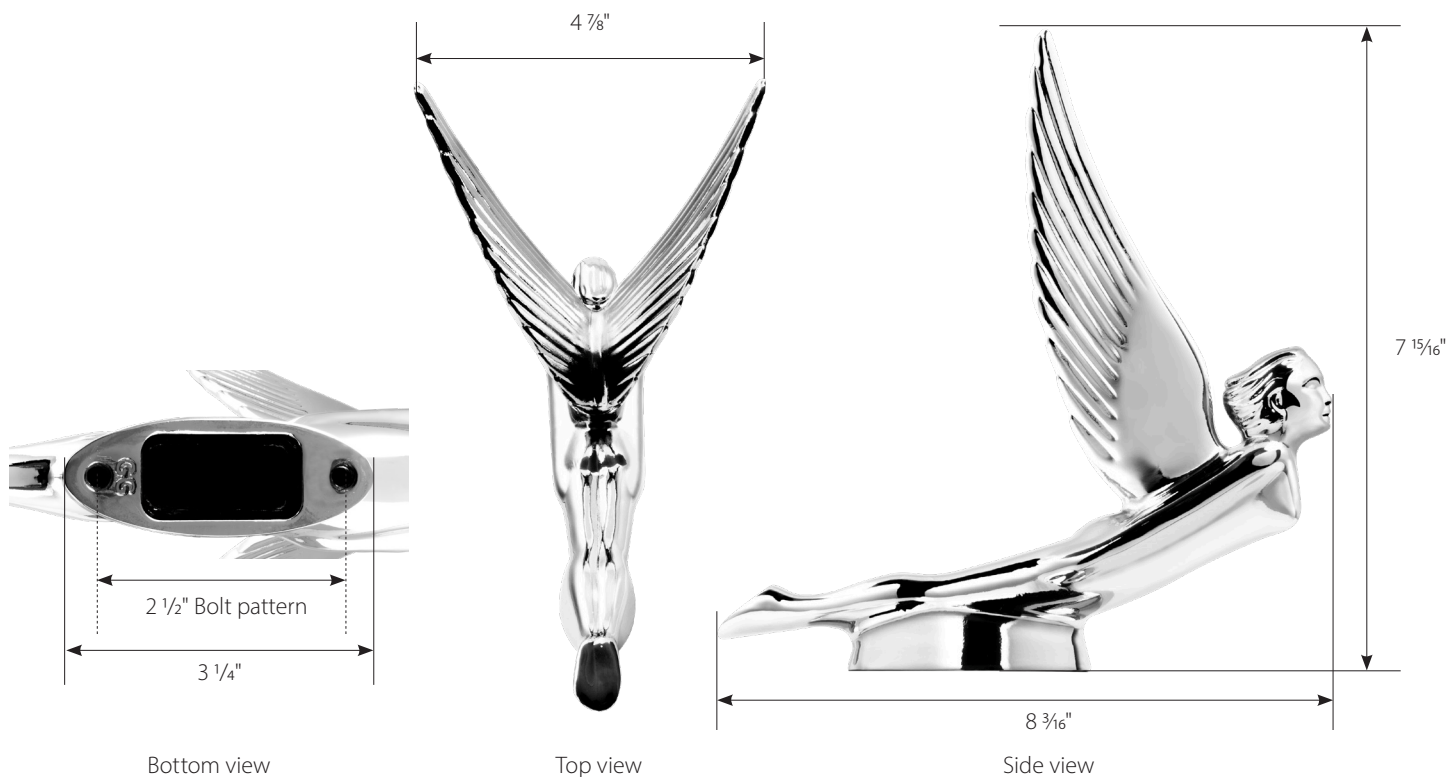

CLASSIC BEAUTY. NOW BUILT STRONGER.

Grand General introduces an improved version of our Flying Goddess hood ornament, now featuring a new **one piece construction** that combines the body and wings into one solid hood ornament. Traditional two piece designs can loosen over time from constant road and engine vibration. Our new one piece creates a **stronger, more durable ornament** built to withstand the demands of life on the road.

- Size**..... 8-3/16" L x 7-15/16" H overall
3-1/4" L x 1-1/4" W mounting base
4-7/8" Wingspan width
- Material**..... Heavy duty metal composite casting
- Features**..... One piece hood ornament with nondetachable wings
- Installation**..... 2-1/2" Bolt pattern, 2 mounting holes
Mounting gasket & hardware included
- Unit & Package**..... Sold by each, color display box

Flying Pegasus Hood Ornament

NEW

**QUALITY
WORKMANSHIP**

HOOD ORNAMENTS ARE OUR SPECIALTY. NOBODY DOES THEM LIKE GRAND GENERAL.

Take your car or truck back to the golden age of automotive styling with the new Flying Pegasus hood ornament. Designed exclusively by Grand General, this all new ornament combines the **bold elegance of vintage Art Deco styling** with the **quality and workmanship** demanded by today's enthusiast. The style, sculpted body and detailed wings, were designed to make a statement. Its **heavy duty metal composite construction** provides a solid feel, while the brilliant chrome finish brings out the details and gives the ornament a **striking show quality appearance**.

Size.....6-1/8" L x 5-3/16" H overall
