Watermelon PLUS Glass Lens Customizable Kit

Once again, we've raised the bar!

Grand General is proud to introduce our new Watermelon PLUS glass lens kit. We've redesigned our iconic Watermelon lens and elevated it to new heights.

With sharper lines and enhanced detailing, the lens delivers a bold and radiant lighting pattern that is sure to turn heads. Our kit features a heavy duty high grade stainless steel bezel and interior bulb holder that is polished to a mirror shine, giving you the most stylish, highest quality watermelon light on the market. We've decided to leave out the bulb, allowing for customization to tailor to your needs.

Bulb Base..... 1156 Single or 1157 double - 12V

Size 3-1/2" Dia x 2-11/16" H with light

Material Polished 430 grade stainless steel bezel
Polished mirror shine bulb holder plate
Heavy duty rubber mounting gasket and O-ring

Installation Customize your kit with your favorite
LED bulb (bulb not included)

Lead wire with dedicated ground wire

Unit & Package Sold by each, carded for display

White Swan Hood Ornament

Our popular swan hood ornaments are now available in an elegant matte white finish. Made from high quality casting and a durable powdercoated finish that adds a touch of class.

The matte finish not only adds style, but also serves as a canvas for customization and an excellent base coat for color match paint. Whether you prefer to keep it pristine or add your personal flair, the possibilities are endless. An excellent pair with Grand General LED glow base 77580 series. Each ornament comes with mounting hardware and gasket for easy installation.
