

### Mini Super Star Watermelon Surface Mount LED Sealed Light

#### Marker & Clearance

Since its launch, the Super Star Watermelon light has quickly become a standout success as one of the hottest items on the market. All thanks to its high power performance, striking visibility, and precision lighting pattern. But we're not stopping there. Grand General is proud to introduce the all-new Mini Super Star Watermelon light. Delivering the same powerful impact in a smaller, more versatile design that's perfect for mounting in tight or hard-to-reach spaces. Powered by a super bright LED and engineered with a high quality, fully sealed and water resistant lens, the Mini Super Star Watermelon light casts an award-winning lighting effect that when it hits the ground it looks like you're riding on sunshine.
