

## 3" Watermelon Double Face High Power LED Pedestal Light

Turn Signal/Marker & Clearance

Grand General is excited to expand our popular line of watermelon lights with the launch of a powerful new 3" double face pedestal light. This all-in-one unit offers exceptional performance, combining high functionality and design. The kit comes in three variations and features a fully sealed, water resistant lens equipped with 18 high powered LEDs per side for outstanding brightness.

Combined with our brackets, these lights can be easily mounted on mirrors, bumpers, fenders, and more, and support both marker and turn signal functions.

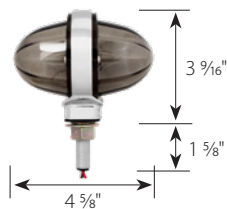

- LED..... 18 High power LEDs per side - 12V
- Size..... 3" Dia x 4-5/8" D x 3-9/16" H, stud size: 1-5/8" L
- Material..... Chrome die cast housing, polycarbonate lens sonically sealed
- Installation..... 3 Wires, hardwired  
Mounting hardware included
- Unit & Package ..... Sold by each, carded for display
