

Super Star Watermelon Glass Lens Surface Mount LED Sealed Light

NEW

100% PURE GLASS
SEALED LENS

Turn Signal/Marker & Clearance

Introducing the Super Star watermelon light. A high powered, fully sealed LED light with a radiant lighting pattern that is sure to turn heads.

The lens is made from 100% pure glass, fully sealed and water resistant with a built in aluminum base to disperse the heat. The kits are held down with a high polish stainless steel bezel. We've developed these in dual function for stop and turn signal. Available in 8 popular color options to match your needs.

- LED 1 High power SMD LED - 12V
- Size 3-1/2" Dia x 2-3/4" H
- Material 100% Pure glass sealed lens and aluminum base
Polished 430 grade stainless steel bezel helps prevent corrosion
- Features Water resistant seal to help keep moisture out
Gasket is required for optimal impact protection
- Installation 3" Hole to hole bolt pattern, 2 mounting holes
Hardwired with three 0.180 bullet plugs
Hardware included
- Unit & Package Sold by each, carded for display
- Patent Pending
